Project Description

Principal's Priority

1

Purchase of the Lexia Learning Systems Program for the computer lab. This project will assist Trailside in supporting students' reading skills acquisition and proficiency at all levels of ability in grades K-6.

Benefits if Project is Funded

If completed, this project will bring support to more students who struggle in reading.

Impacts if Project is not Funded

If not completed, additional students will not be able to use this program for support in reading achievement. The school's limited funding has purchased 10 individual Lexia computer licenses to date.
